WENDELL BLANCO

Software Developer

About Me

As a dedicated and versatile Full Stack Developer, I bring a robust skill set and a deep passion for creating dynamic, user-friendly web applications. With a strong foundation in both front-end and back-end development, I excel at designing and implementing comprehensive solutions that meet complex business requirements. My expertise spans a wide range of technologies including JavaScript, React, Node.js, Express, and MongoDB, enabling me to deliver seamless and efficient web experiences.
